

2009 AVP/New York Committees and Task Groups

Certain positions, such as Treasurer and Office Coordinator, are needed on certain committees as resources, consultants, or “to be kept apprised.” Those holding the positions are welcome to volunteer as working members of any and all committees. The President and Vice President are ex-officio members of all committees and task groups, and they should be copied on emails and informed of conference calls. Copies of any proposals by committees should be sent to the secretary for AVP/New York records.
